philosophers theologians and literary critics welcome anderson s stunning translation since hamann is gaining renewed attention not only as a key figure of german intellectual history but also as an early forerunner of postmodern thought relationships between enlightenment counter enlightenment and idealism come to the fore as hegel reflects on hamann s critiques of his contemporaries immanuel kant moyses mendelssohn j g herder and f h jacobi this book is essential both for readers of hegel or hamann and for those interested in the history of german thought the philosophy of religion language and hermeneutics or friendship as a philosophical category jacket

philosophers theologians and literary critics welcome anderson's stunning translation since hamann is gaining renewed attention not only as a key figure of german intellectual history but also as an early forerunner of postmodern thought relationships between enlightenment counter enlightenment and idealism come to the fore as hegel reflects on hamann's critiques of his contemporaries immanuel kant moses mendelssohn j g herder and f h jacobi this book is essential both for readers of hegel or hamann and for those interested in the history of german thought the philosophy of religion language and hermeneutics or friendship as a philosophical category jacket

johann georg hamann was a significant figure in german philosophy during the 18th century known for his contributions to the sturm und drang literary movement and his influence on later philosophers particularly immanuel kant and søren kierkegaard hamann was a german lutheran philosopher and writer from königsberg known as the magician of the north he was a major figure in post kantian philosophy and a leading voice of the counter enlightenment movement the son of a midwife and a barber surgeon hamann studied philosophy and theology at the university of königsberg despite his extensive knowledge and fluency in several languages he never held an official academic or ecclesiastical position in part because of a pronounced speech impediment finally through the intercession of his acquaintance immanuel kant he found employment as a low level official in frederick the great's tax office hamann's philosophical journey took a significant turn during a business trip to london in 1758 where he experienced a profound christian conversion this experience led him to abandon his commitment to the secular enlightenment in favor of a more orthodox view of protestant christianity hamann subsequently became a fierce critic of the enlightenment particularly its emphasis on reason and scientific rationality during his time in jena hegel wrote a lengthy review of the collected works of johann georg hamann engaging deeply with this enigmatic thinker known as the magus of the north the review emerged from a broader intellectual context in which german philosophers were wrestling with questions of language reason and faith themes that dominated hamann's cryptic writings although hamann had died in 1788 his influence persisted through figures such as herder and jacobi making hegel's critical engagement with his work particularly timely the review shows hegel's evolving philosophical method and his complex relationship to religious thought during a formative period of his intellectual development the text reveals hegel's deep ambivalence toward hamann's approach while recognizing hamann's genius and the power of his insights into the role of language in human understanding hegel ultimately criticized what he saw as hamann's retreat into subjective feeling and religious immediacy in particular hegel took issue with hamann's rejection of systematic philosophical reflection in favor of an immediate faith based grasp of truth that relied heavily on wordplay and biblical imagery for hegel this approach though poetic and powerful failed to achieve the kind of conceptual clarity and systematic understanding that philosophy requires the review thus serves as a key document for understanding how hegel positioned himself against competing

approaches to questions of knowledge faith and reason in early nineteenth century german thought this modern translation contains an afterword explaining this work s place in hegel s larger philosophic system the relevant historical background and a timeline of his life and works the modern language of the translation and scholarly apparatus are designed to orient the modern reader to hegel s world in his time and highlight the continued influence of hegel in our day hegel a generally inaccessible philosopher due to the sheer size and intricacy of his thought is explained through the interpretation of tolstoy nietzsche schopenhauer and heidegger in this afterword to make his historically important body of work accessible to the armchair philosopher

das verhältnis von theologie und literatur im 18 jahrhundert das weder begrifflich noch sachlich weder historisch noch systematisch dem von religion und literatur oder frömmigkeit und literatur identisch ist lässt sich als ein insgesamt instabiles im detail schwieriges und offenes beschreiben stärker als die theologie im katholizismus und im judentum ist die im protestantismus transformationen unterlegen sie bewegt sich in der spanne von lutherischer orthodoxie und rationalistischer theologie zwischen erbaulicher cultura animi und vernünftiger wissenschaft die literatur der zeit entwickelt sich in der spanne von barock zur romantik von einer ancilla theologiae zu einer wohl selbstbestimmten und zugleich zunehmend am markt orientierten institution solchermaßen sind theologie und literatur in wechselnden konstellationen aufeinander bezogen z b lernt die theologie von der literatur die gemeinde als ein publikum zu fesseln und die literatur will als predigt von der theologie einen sinnstiftungs und orientierungsanspruch übernehmen diese und andere konstellationen und verhältnisse der konkurrenz und der ergänzung der konfrontation und der koexistenz nehmen die beiträge des bandes in den blick

the first english language collection devoted to hegel s philosophy of subjective spirit

this work gives a basic introduction to hegel s religious thinking by seeing it against the backdrop of the main religious trends in his own day that he responded to

die klassische deutsche philosophie ist eine gipfelleistung in der geschichte des philosophischen denkens sie komprimiert die erfahrung des aufstiegsprozesses des europäischen bürgerturns seit dem 16 jahrhundert den Übergang zu einer dialektischen sicht von natur geschichte und denken und die qualitativ neue stellung des menschen im geschichtsprozess unter dem einfluss der revolution in frankreich bildete sich eine weitreichende zugleich aber überaus mystifizierte erwartungshaltung heraus die im hinblick auf den anbruch eines neuen zeitalters eines reichs der vernunft durch streben nach humanität gerechtigkeit und menschlicher vollendung geprägt war
